

Edubeyond

Edubeyond is an educational and training institution with a mission to empower individuals through comprehensive education, cultural, and training programs, equipping them with the knowledge, skills, and mindset necessary to thrive in an ever-evolving world. Thanks to a close collaboration with Società Dante Alighieri, Edubeyond has become a pioneer in providing the highest quality linguistic and cultural education for individuals, helping them develop a strong sense of responsibility and openness.

San Severino Marche / Recanati

San Severino / Recanati is an important town from an artistic and historical point of view. This area has been inhabited since 944, then during the 14th century the population moved to the lower area of the town because of social and economic reasons. The new Medieval village was founded around the wide and harmonious Platea Mercati which corresponds to the modern Piazza del popolo.

Edulingua / Scuola Dante Alighieri - Campus L'infinito

A school and training center dedicated to providing world-class language and culture education to students and teachers alike. Edulingua won the international "ISTUDY Global Award" in 2016 as the best vacation-study program for Italian as a foreign language.

Edulingua believes in real life learning experiences, in the classroom and wherever there is contact with the Italian language and culture.
